TERMS OF USE

By downloading our EC-LIB® free-trial version, you herewith agree to be contacted by Eclipseina and/or one of our distributors/sales partners. Therefore, we may collect and use your personal contact information. We may get in contact with you to ask about feedback concerning the software and/or to make an offer to purchase an EC-LIB® project license.

By activating and using the free-trial edition you may also receive access to our user manual. The user manual and the software itself are meant for testing and must exclusively be used by the person who ordered the evaluation edition. The free-trial period is 30 days. The user manual and the free-trial software are intellectual property of Eclipseina GmbH and may not be changed in content or made accessible to third parties in whole or in part. Further rights of use are not granted to the tester.

By using our software and user manual, you agree with the above terms of use.
